**VINYL
GRAPHICS**

ONLY AVAILABLE AT VINYL GRAPHICS!

No other vinyl manufacturer in the US offers this kind of durability for horizontal application of their product.

This German-manufactured product is now being used by an OEM that believes it is the only option for rally stripes and accents. We are so excited to be able to offer this amazing product to you!

EXCLUSIVE
3 year
durability
On the Hood & Horizontal Surfaces.
Plus 6 to 10 Year Warranty for Vertical Surfaces!

Expected Durability and Warranty Details

Expected Outdoor Durability: Horizontal Surfaces ($\pm 5^\circ$ from horizontal) in U.S.: Colors - 3 Yrs, Metallic - 2 Yrs

Warranty: Vertical Surfaces (not more than 10° from vertical) in U.S.: Black/White - 10 Yrs; Colors - 8 Yrs; Metallic - 6 Yrs

Excluded Regions: Extreme climate zones of the US (desert southwest, which includes southern regions of CA, NV, UT, all of AZ and NW and northwest TX), South America, Latin America or the Caribbean, contact Vinyl Graphics for specific warranty information in your area.

Warranty Claims

Customers must supply Vinyl Graphics with the Job Date, VIN Number, and Installer's name at the time of the installation to be able to make any future claims. Valid claims will result in either the replacement of the defective material or a refund of the purchase price.

Gloss Black

Matte Black

Detailed close-up to show Rapid Air pattern on Gloss Black; not as noticeable as cross-hatching and completely invisible on Matte Black.

But Wait...it gets BETTER

Confidence AND Easy Installation

Repositionable adhesive allows for a DRY install with long-term removability from painted surfaces.

Rapid Air technology allows bubbles to be easily pushed out and cuts installation time in half!

Built-in laminate provides a nice gloss and offers a lightweight, economical alternative to paint.
